Reach the scientific research market for photonics, optics, lasers, and micro/nanotechnologies

Conferences and Courses: 3-7 April 2022
Palais de la Musique et des Congrès • Strasbourg, France

Network in the Technical Programme

Conferences and Courses: 3-7 April 2022

Research and innovation at SPIE Photonics Europe address key topics that are enabling technologies and addressing societal challenges. Make key connections for your product development by attending one of the 24 technical conferences: Network with authors working on cutting-edge research.

TECHNOLOGIES:
- Metamaterials • Nanophotonics • Microstructured and Specialty Optical Fibres • Biophotonics • Optical Micro- and Nanometerology • Semiconductor Lasers and Laser Dynamics • Nonlinear Optics and Its Applications • Photonics for Solar Energy • Optics, Photonics and Digital Technologies for Imaging Applications • Optical Sensing and Detection • Quantum Technologies • Advances in Ultrathin Condensed Phase Physics • Unconventional Optical Imaging • THz Photonics • Digital Optics for Immersive Displays • Silicon Photonics • Fiber Lasers and Glass Photonics • Organic Electronics and Photonics

Sign up today: spie.org/epe-exhibit
Meet 1,200 attendees who need your products and services

The SPIE Photonics Europe exhibition brings researchers and engineers together with leading companies from throughout Europe. The exhibition is coupled with conferences, workshops, and seminars that combine into a dynamic learning environment.

...come from all over the world...
In 2018, attendees came from 66 different countries to network, learn, and do business.

...to make purchases.
The diverse programme draws in people looking to purchase in many different areas.

AN EXHIBITION CONNECTING RESEARCH AND INDUSTRY • INNOVATION AND EUROPEAN VILLAGE • TECHNICAL PRESENTATIONS — ALL IN ONE LOCATION — SIGN UP TODAY

Get a jump-start on your competition and reserve your space
Extend your company’s presence by showcasing your latest advancements, networking with colleagues, and positioning your new products. SPIE Corporate Member rates reflect a 15% discount.

Platinum Sponsor

13 Available

€6,070 NONMEMBER
€4,284 SPIE CORPORATE MEMBER

- 9 sqm (3x3m) corner stand in premium location
- Full page 4-color advertisement in printed programme
- General Sponsor
- Acknowledgement at Opening Session and Plenary Sessions
- Coffee Break Sponsor
- One A4 conference bag insert
- Featured Exhibitor package on event website
- Product photo in Exhibition Preview
- Corporate Partner Listing on optics.org
- Two entry tickets to Technical Conference
- 30-day job posting on SPIE Career Center website
- Company description online and printed programme
- Four Exhibitor badges for Exhibition, Poster Session, and Welcome Reception
- Logo featured
  - Conference room slide (large logo)
  - Demo Area Slide (small logo)
  - Sponsor page (online and printed programme)
  - Joint sponsor sign

Gold Sponsor

9 Available

€5,050 NONMEMBER
€4,204 SPIE CORPORATE MEMBER

- One entry ticket to Technical Conference
- Two exhibitor badges for Exhibition, Poster Session, and Welcome Reception
- Company name listed in Exhibition Preview
- Company description online and printed programme

Silver Sponsor

10 Available

€3,040 NONMEMBER
€2,284 SPIE CORPORATE MEMBER

- Tabletop display
- Product photo in Exhibition Preview
- General Sponsor
- Corporate Partner Listing on optics.org
- Two entry tickets to Technical Conference
- 30-day job posting on SPIE Career Center website
- Company description online and printed programme
- Two exhibitor badges for Exhibition, Poster Session, and Welcome Reception
- Logo featured
  - Conference room slide (large logo)
  - Sponsor page (online and printed programme)
  - Joint sponsor sign

Basic Tabletop Display

28 Available

€2,360 NONMEMBER
€2,006 SPIE CORPORATE MEMBER

- One entry ticket to Technical Conference
- Two exhibitor badges for Exhibition, Poster Session, and Welcome Reception
- Company name listed in Exhibition Preview
- Company description online and printed programme

Conference and Courses
3-7 April 2022
Palais de la Musique et des Congrès Strasbourg, France

Additional opportunities on the exhibition floor

Innovation Village
Showcases research and innovative products from universities, nonprofits, and research centres.

Industry Programme
The latest insights on innovation, business networks, and market updates.

„I like the SPIE Photonics Europe exhibit as it really attracts/targets the academics/researchers more than some other exhibits I have been to. „
— Tim, University of Cambridge
