

Student Chapter Report 2010/2011

Person Completing Form/Contact:

Rico Henze

E-mail:

rico.henze@physik.hu-berlin.de

Name of Chapter:

Berlin Optik Student Chapter

Website:

www.berlinoptik.de

Number of members in Chapter:

15

Names, email addresses, and Member numbers of Chapter Officers:

President: Rico Henze (rico.henze@physik.hu-berlin.de, #03010673)

Vice President: Heike Christopher (heike.christopher@physik.hu-berlin.de, #03417932)

Treasurer: Moritz Nagel (moritz.nagel@physik.hu-berlin.de, #03278450)

Secretary: Max Schiemangk (max.schiemangk@physik.hu-berlin.de, #03273666)

Chapter activities since last report: (meetings held, invited lectures, tutoring, etc.)

(!!!Please see pictures and further reports on our website!!!)

***12/14/2010:** Christmas Recruiting Party 2010 of the Berlin Optik Student Chapter at the Institute of Physics of the Humboldt-Universität zu Berlin

As in the year before, we sponsored the hot spiced wine for the student organized Christmas party at one of our main institutions and presented our laser graffiti system. This event gives a good possibility to get into contact with the freshmen as well as with the more advanced students.

***01/28/2011:** Social Recruitment Event of the Berlin Optik Student Chapter

We dislocated our regular meeting into the city center of Berlin and combined that standard event with a follow up recruitment party directly at the same place. We invited our colleagues within the different groups of our chapter and sponsored some food and beer for that event.

***05/06/2011:** Visit of the Vienna Student Chapter

We hosted the Vienna Student Chapter on a field trip to Berlin and showed them our different facilities here in Adlershof. In the evening we discussed by a beer some new ideas for good chapter activities and what each chapter has done so far or is planning for the future.

***05/20/2011-05/22/2011:** National Meeting of German Student Chapters in Erlangen

We followed the invitation of the Erlangen Chapter and joined the second IONS Germany. After laboratory tours at the Erlangen University and the Max Planck Institute for the Science of Light we refreshed ourselves at a BBQ and social events in a local brewery and on a guided tour in Nürnberg.

***07/08/2011:** Faculty Day at Berlin Institute of Technology

We co-hosted the Faculty Day at the Berlin Institute of Technology and presented our laser graffiti system at this event, too. This was the first big event we organized at this institution and by that we got into contact with the local students association there. We planed some combined events for the future and gained some new members out of this community.

***08/21/2010:** Participation in the Leadership Meeting of the SPIE in San Diego

We joint our second Leadership Meeting of the SPIE in San Diego. It was a really great experience to get into contact with the other student chapter members and to use this possibility for networking and making new friends. The workshop was also quite useful for connecting the local chapters and gave some new ideas for our personal chapter activities.

***09/30/2011:** Visit of the Hannover Optics Student Chapter

We hosted the Hannover Optics Student Chapter on their field trip to Berlin. This event was planned as part of an interchapter activity program and we already planed to visit them in the next year, too. On this event we showed them the different institutes here in Adlershof and also organized a combined chapter meeting to exchange our chapter and research experiences as well as to plan further interchapter projects and activities. The field trip ended with a social event in the city center where we visited a typical Berliner Biergarten.

Future Chapter activities:

- *Christmas Recruiting Parties 2011 at Humboldt-Universität zu Berlin and Berlin Institute of Technology
- *Field trip to MPQ Munich, Germany
- *Invited Lecturer from Universidade Federal de Pernambuco (Brazil)
- *Increase / improve recruiting of new members

SPIE funding received (2010): \$500.00

Project/Activity Description:

money spent for promotional giveaways (pencils, cookies, and sweets), Christmas Party support (hot spiced wine), chapter t-shirts, and travel support

Total amount spent (2010/2011): ~\$520

End balance (Nov. 2011): ~\$10

(values in US Dollars are approximate due to fluctuations in the EUR/USD exchange rate)

If possible please attach a current member list
