Chapter Activities

1. Outdoor activities

In April, we organized all members visit Metropolitan Museum of Art exhibition in National Museum.

2. Poster Contest

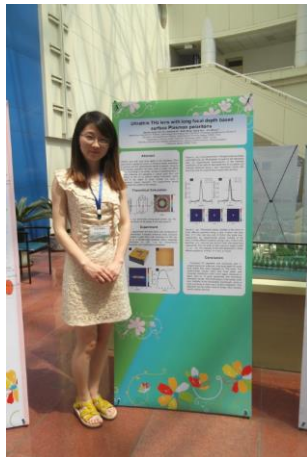

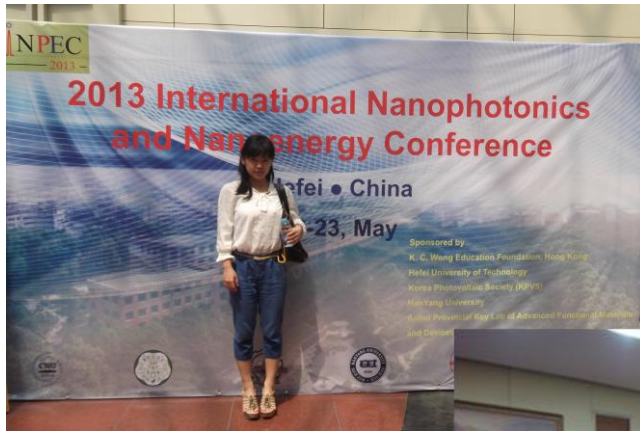

On June, we had hosted a poster contest. First, we hope to show all members' scientific researches; and secondly we invite some professors to choose the good works in all posters produced.

3. Attending academic conference

Some members of CNU SPIE Student Chapter attended the 2013 International Nanophotonics and Nanoenergy Conference in Hefei University of technology, China, during 20th-23th May 2013. The professors attending the conference were from Capital Normal University, Haerbin institute of technology, and Hefei University of technology, Hanyang University, respectively. Everyone made an

oral report.

4. SPIE Optics + Photonics 2013 and the 25th August Annual SPIE Student Chapter Leadership Workshop in San Diego

In the summer, Xiaoyan Jiang attended the 2013 Optics + Photonics and SPIE Student Chapter Leadership Workshop held by SPIE in San Diego, CA, 25th-29th August.

The poster of our Chapter was exhibited in the San Diego Convention Center.

5. Optical experiments demonstrated to primary school students

In 13th of November, our student members went to the Xu Beihong middle school in Beijing, China, and demonstrated some interesting optical phenomena for children.

Children were watching the pinhole camera

Production of pinhole camera

6. The annual symposium with other chapters

Every year CNU SPIE Student Chapter invites other chapters' members to our annual symposium. This year, we co-operated with the CNU OSA Student Chapter and invited the members of other SPIE & OSA Student Chapters in Beijing. They came from Tsinghua University, Peking University, Beijing

Jiaotong University, Beijing University of Posts and Telecommunications, Beijing Institute of Technology and Institute of Physics Chinese Academy of Sciences, respectively. At the symposium, eight members from different Student Chapters made oral presentations, and we discussed the interesting optical problems with each other.

Further Chapter Activities

1. Organize some outdoor activities to welcome the new members.
2. Invite some famous experts and professors to give lectures on photonics and engineering optics.
3. Organize CNU SPIE Student Chapter Annual Meeting 2014 and make oral presentations of optics and photonics.

Financial Information

CNU SPIE Student Chapter received an activity grant of \$1700 from SPIE. Due to the exchange rate, the total fund of 2013 was ¥10200.
