# Elected officers

## President (2012-2013)
Name: Anuar Benjamin Beltran Gonzalez  
Email address: anuar_beltran@hotmail.com  
Member number: 3236380

## Treasurer (2012-2013)
Name: Oscar Eduardo Castillo Serrano  
Email address: castillo_oscar_e@hotmail.com  
Member number: 3467147

## Vice-President
Name: Roberto Carlos Barragán Campos  
Email address: barraganroberto@prodigy.net.mx  
Member number: 3496150

## Secretary
Name: Manuel Salvador Bravo Medina  
Email address: msbbravom@hotmail.com  
Member number: 3467142

## President (2013-2014)
Name: Roberto Carlos Barragán Campos  
Email address: barraganroberto@prodigy.net.mx  
Member number: 3496150

## Treasurer (2013-2014)
Name: : Manuel Salvador Bravo Medina  
Email address: msbbravom@hotmail.com  
Member number: 3467142

## Vice-President
Name: Oscar Gregorio Pérez Macíaz  
Email address: oscarp_macias@hotmail.com  
Member number: 1196811

## Secretary
Name: Anuar Benjamin Beltran Gonzalez  
Email address: anuar_beltran@hotmail.com

National Meeting OSA and SPIE Student Chapters

September, 2012 – June, 2013

San Luis Potosí, S.L.P. Mexico.

We attended the third national meeting of OSA and SPIE chapters. We shared experiences and information to improve our chapter activities. The most important of the meeting was met the new officers of each Mexican Student Chapters.
Coffee Science

October, 2012 (Starting date)

Universidad de Guadalajara

Guadalajara, Jal. Mexico

Coffee Science has place almost monthly. It is an open and outdoors space for students, teachers and researchers to share experiences in science, study and personal life. This is achieved by having a space where one or more scientific researchers are interviewed about their job, memories of their student years, etc.

After the talk, there is a time to chat with the invited researchers about specific projects that the students are interested in, and time to play Keth too. During the last ten months the Coffee Science has had the participation of nine researchers in seven Coffee Sciences.

Below we list the dates on which the event has been held:

Along this time the Coffee Science has had the participation of 300 persons approximately. And it has had very different topics but all focused in science, and all trying to get the attention of the bachelor students in different fields of the science.
Visiting lecture by the PhD Malacara Hernández Daniel

November 29th, 2012

Universidad de Guadalajara

Guadalajara, Jal. Mexico

During his visit the PhD Daniel Malacara Hérnandez had two conferences. The first one was “Scientific Texts” and the last one was “Hartmann and Hartmann Shack”. After the conferences the PhD Daniel had a visit to the Optical Instrumentation Lab, and after it, him and some chapter members were to the International Book Fair.
Winter workshops

January, 2013

Universidad de Guadalajara

Guadalajara, Jal. Mexico

Workshops organized by chapter members. There were seven workshops. The subjects were: Linux, OpenCV, PLC Automation, Local Area Networks, NI Labview, Unmaned Aerial Vehicles and PCB design. And almost fifty people attended these workshops. The workshops’ teachers were chapter’s members. And the main idea was transmit knowledge of some tools used for scientific and technological projects.
Pizza Party

January, 2013

Universidad de Guadalajara

Guadalajara, Jal. Mexico

After the end of the Winter Workshops we had a Pizza Party. Were we talked and had fun together.
National Meeting OSA and SPIE Student Chapters

April 24th – 26th, 2013

Monterrey, N.L. Mexico

This event was the fourth national meeting of student chapters and it was during the Applied Optics Symposium, Sustainability and Energy.

Besides attending the symposium, all chapters’ members shared activities and we talked about new projects to work like student chapter network.
Visiting the Research Center in Optics (CIO)

May 17th, 2013.

Leon, Gto. Mexico.

This visit was organized by CIO and Universidad de Guadalajara student chapters. During the visit, the Universidad de Guadalajara students had a tour into the CIO’s Labs, CIO’s museum and the opportunity to talk with some CIO’s researchers. Also it was a great chance to both chapter members to spend time together.
Science for kids

June 27th, 2013

Guadalajara, Jal. Mexico.

We invited children between ten and twelve years old to visit our campus (CUCEI) and learn some basic principles of physics by playing. We received approximately 60 kids.

The visit started with a welcome speech by the PhD Guillermo García Torales. After this, the children were divided in six groups. Every group started the tour in a different workshop where they stayed some time, and after that they had to go to a different workshop. The kids, visitor teachers and chapter members had a lunch together.
Summer workshops

July, 2013

Guadalajara, Jal. Mexico.

Workshops organized by chapter members. There five six workshops. The subjects were: Matlab, Arduino, PLC Automation, Biomedical Optics and Poster Design. Like fifty people attended these workshops. The workshops’ teachers were members of the chapter. And the main idea was transmit a practical knowledge of some tools used for scientific and technological projects.
Tacos Party

January, 2013

Universidad de Guadalajara

Guadalajara, Jal. Mexico

After the end of the Summer Workshops we had a Tacos Party. We talked and had fun together.
San Diego, SPIE Optics + Photonics 2013

August 2013

San Diego, Cal. USA

On August 2013, some of our chapter’s members attended the SPIE Optics and Photonics held in San Diego, California, where they met students from other countries and presented the result of their research project.
The chapter in the web

We have a web page and we are also in the social networks to reach more students, so that they know about our activities and projects. Facebook

Facebook

Web Page
Planned activities for the future  
(September 2013 - October 2014)

**Website**

Description: Updating and reorganizing our website so it is easier to website visitors to get relevant information and to know who to communicate with and how to subscribe to our student chapter.

**Visiting Lecture Program**

Description: Thanks to the SPIE Visiting Lecture Program and the OSA Traveling Lecture Program, the chapter will organize a couple of conferences with researchers from other countries as some other activities as workshops and social meetings with the chapter and the invited researcher.

**Chapter meeting**

Description: To improve the relationship between our chapter members, this winter will be a “Posada”, a party for all the members and people willing to be part of the chapter.

**Visiting high school**

Description: Taking the invitation of several physics professors, the SPIE student chapter will be visiting several high-schools showing the activities of the chapter and making and approaching optics to young students from our community.

**Coffee Science**

Description: Chat with a guest lecturer, free coffee and Khet tournament to gather new students. An opportunity to let other students and professors know about the Chapter, the projects and the activities we do. This is an event that we plan to organize on a monthly basis.

**Meeting others SPIE Mexican Student Chapters**

Description: Invite and visit other universities and/or research centers that have SPIE Student Chapter, to build and strengthen working ties with them and share ideas.
