3. Details of Chapter activities since last report.
   1) Poster to recruit new members
      We made a poster to recruit new members and attract the other attentions with some
      advertisements. This poster attracted many students to join our chapter.
   2) Lunch to welcome the new members of our student chapter.
      During this lunch, the adviser of our Chapter Professor Leng introduced our chapter to
      the new members. Then the new members introduce himself/herself to other members. We
      discussed the future activities, and most members were interested to visit some factories
      relative to optics or laser.
   3) Attendance at SPIE meetings
      The secretary of our chapter attended the SPIE student chapter leadership workshop and the
      Optics & Photonics conference 2010 in San Diego which was sponsored by SPIE.
4) Cards for new members
   We made the name cards for new members.
5) Flag
   We made the flag of our chapter
6) Visiting
   We had visited the 2010 Shanghai Expo.
4. Details of planned activities for the future.
1) Hold a colloquium to elect new officers.
2) Hold some academic conferences, combining with State Key Laboratory of High Field Laser Physics
3) Colloquium to share the research and discuss about cooperation.
4) Create the website of our chapter, and every member will join in this work.
5) Visit an industry related to our studies field. In this matter we count on the help provided by Prof. Leng, for his advice and contact with different industries around our Institute.
