Details of Chapter Activity

January ~ December, 2016

Chapter Meeting

- ▶ Time: February 20, 2016
- ▶ Place: Visual Science and Rehabilitation Engineering Laboratory
- ▶ At the beginning of a semester, we hold the chapter meeting to review the activities held last year and summarize the achievements.
- ▶ We discussed the plan for 2017. Then we invite all the members to a dinner and encourage them to share ideas with us .

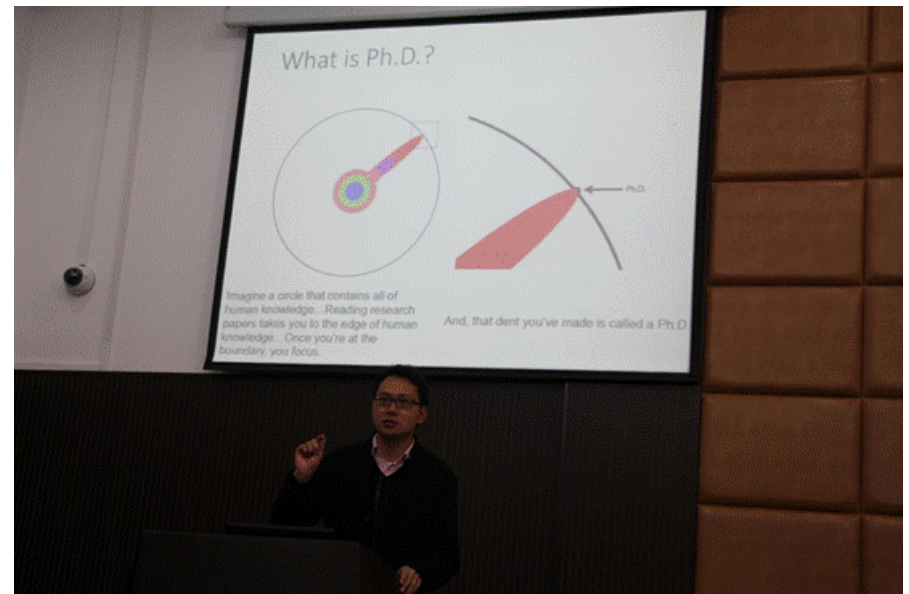

Academic Activity

- ▶ **Beijing Vision Science Conference 2016**
- ▶ Time: Jul,4~6 2016
- ▶ 6 of our chapter members attended the BVSC 2016 in Beijing.

Academic Activity

- ▶ Attending the 6th Research Day of Graduates of Biomedical Engineering School of Shanghai Jiao Tong Univ. .
- ▶ Time: December, 19, 2016
- ▶ 2 of our chapter members attended the Research Day of our School and presented their research achievements.

Sports Activity

- ▶ We keep on holding our badminton activity this year. The students regularly took part in this activity to enrich their research life and make their relation better.

Academic Forum

- ▶ Time: Dec 19–24, 2016
- ▶ Place: Minhang Campus, SJTU
- ▶ 2016 Computational Neuroscience Winter School.
- ▶ Herrick attended it and introduce his project in the last day as student presentation.

Following Activities

- ▶ Invite more experts in related fields to give us lectures about their research to expand our view.
- ▶ Encourage students of our chapter to attend more international conferences next year.
- ▶ Hold an academic workshop or seminar within our chapter, or even invite students from groups with different research direction to join the discussion to inspire thrilling ideas.
- ▶ Organize various of entertainments to enhance relationship between chapter's members besides playing badminton, like ping-pong, basketball, billiards.
