Details of Chapter Activity

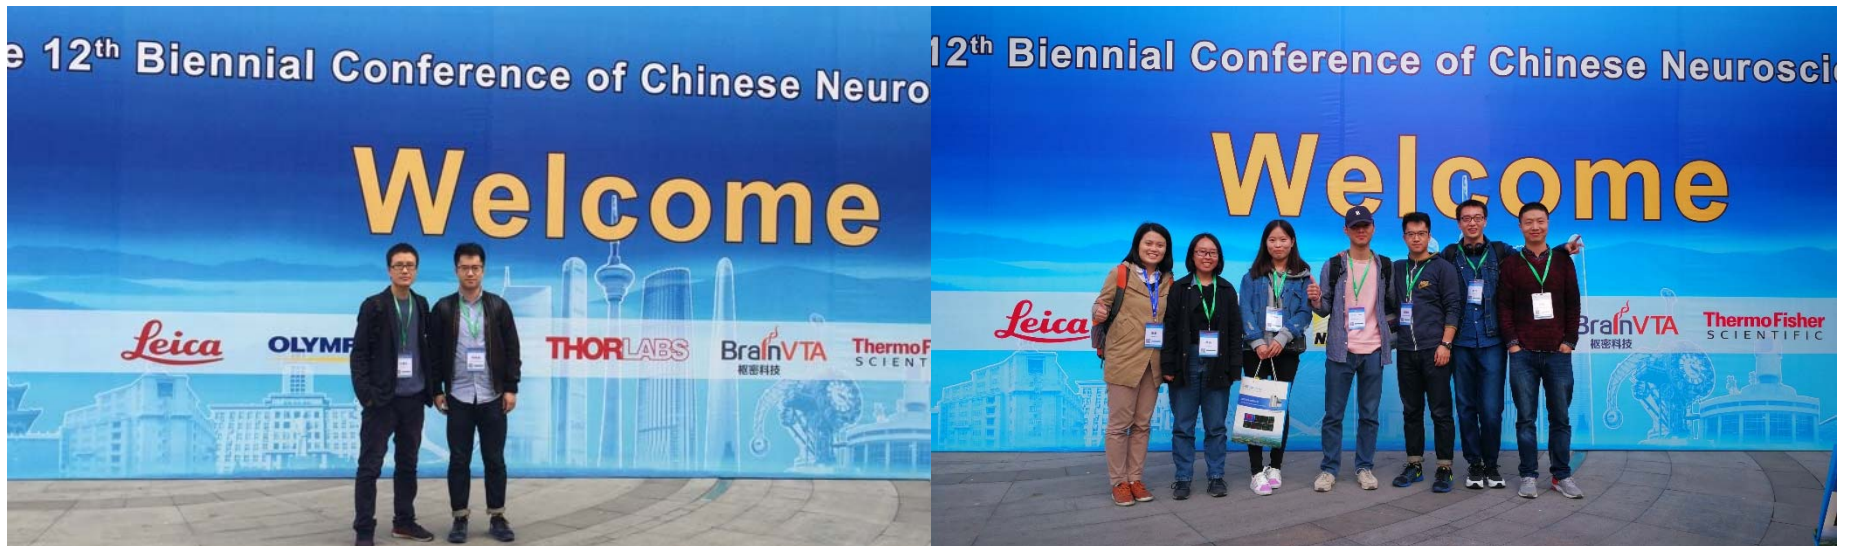

January ~ December, 2017

Chapter Meeting

- ▶ Time: February 27, 2018
- ▶ Place: Visual Science and Rehabilitation Engineering Laboratory
- ▶ At the beginning of a semester, we hold the chapter meeting to review the activities and the achievements last year.
- ▶ We encourage all the members to share ideas with us and make plans together for 2018. Then we invite them to a dinner.

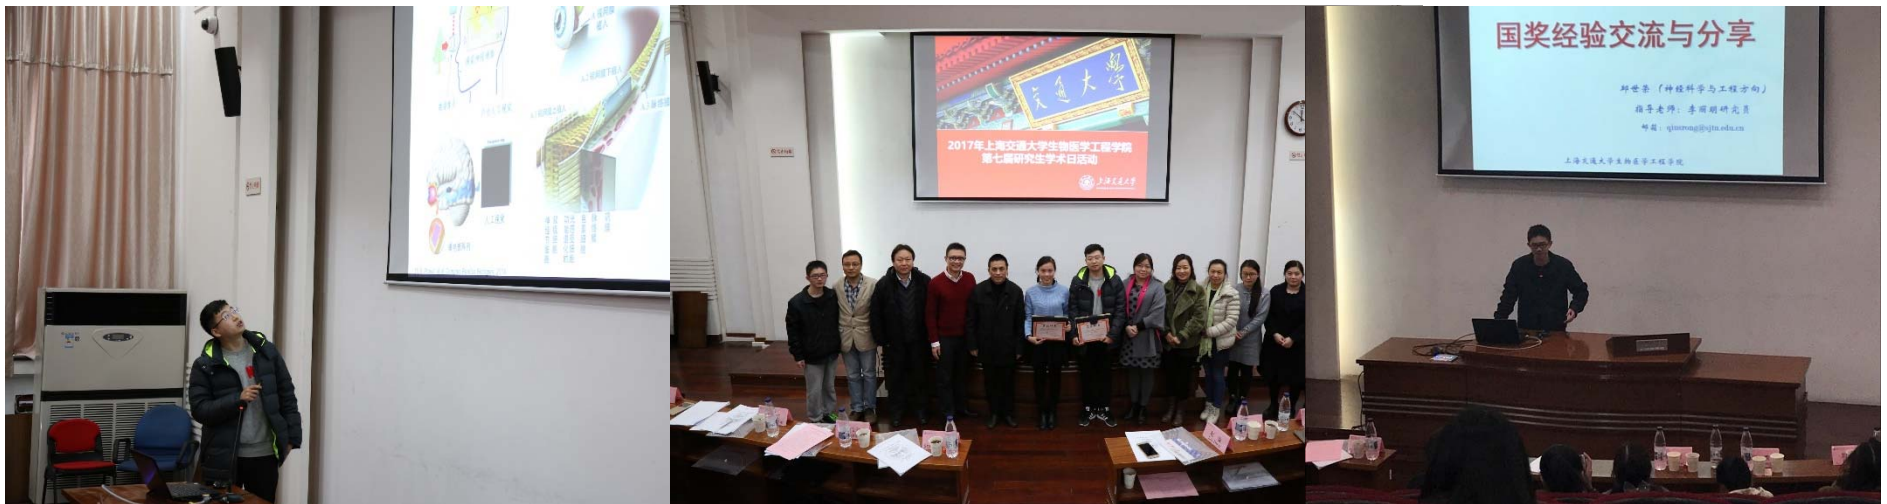

Academic Activity

- ▶ The 12th Biennial Conference of Chinese Neuroscience
- ▶ Time: Oct, 12~15 2017
- ▶ 1 of our chapter members attended in Tianjin.

Academic Activity

- ▶ Attending the 7th Research Day of Graduates of Biomedical Engineering School of Shanghai Jiao Tong Univ. .
- ▶ Time: December, 14, 2017
- ▶ 2 of our chapter members attended the Research Day of our School and presented their research achievements.

Sports Activity

- ▶ We keep on holding our badminton & basketball activities this year. The students regularly took part in this activity to enrich their research life and make their relation better.

Academic Forum

- ▶ Time: Dec 19–24, 2017
- ▶ Place: Guangdong Provincial Department of Science and Technology
- ▶ National Science and Technology Major Project
- ▶ Heng Li attended the oral defense of the project with his doctoral advisor Prof.Chai.

Following Activities

- ▶ Invite more experts in related fields to give us lectures about their work to expand our view on scientific research.
- ▶ Encourage students of our chapter to attend more international conferences next year.
- ▶ Hold an academic workshop / seminar within our chapter, or even invite students from groups from other labs to join the discussion .
- ▶ Keep organizing various of entertainments to enhance relationship between chapter's members, e.g. badminton, ping-pong, basketball, billiards.
