

Student Chapter Bi-Annual Report Dec 2007

Club Officers for the '07-'08 School Year

Camille Magno	President	ctmagno@ucdavis.edu
William Yee	Vice President	wjyee@ucdavis.edu
Aaron Gong	Secretary/Treasurer	acgong@ucdavis.edu
Scott Morgan	Activities Chair	smmorgan@ucdavis.edu
Nicholas Antipa	Activities Chair	naantipa@ucdavis.edu
Brandon Miller	EJC Representative	bmiller@ucdavis.edu
Sean Inaba	Webmaster	skinaba@ucdavis.edu

Current Members

Nick Antipa	Camille Magno
Aaron Gong	Brandon Miller
Bing Guo	Scott Morgan
Shih-ying Huang	Erik Nackerud
Sean Inaba	Kathy Nguyen
Shayna Khatri	Kai Yang
Li Juan Lei	William Yee
Simon Park	Veerayah Logesswaran

Club Activity (July–December 2007)

- 1) Aug 24-26: New Officers for the '07-'08 school year attended the SPIE Optics and Photonics Leadership Workshop and Conference in San Diego, CA. Officers had a chance to collaborate with other SPIE student chapters around the world. Ideas about improving outreach and boosting membership were shared.
Attendance: 4
- 2) Oct 4: Ice Cream Social. UC Davis College of Engineering held an ice cream social to help publicize the various engineering majors. Optics Club held a table and displayed a mini-laser maze and posters. Email addresses were taken.
Attendance: 6
- 3) Oct 5: Officers' Meeting. Discussed out come of the Ice Cream Social, plans for a new display in the event that the laser maze cannot function, as well as new T-shirt, poster and pamphlet designs. Began planning for future outreach at the

Explorit Center and Center High School. Also set up plans to write proposals for HOO modules and Optics Lab keys. Attendance: 8

- 4) Oct 12: General Meeting. The club quote for T-shirt was voted on. Developed more information on pamphlet construction and business card printing. Attendance: 9
- 5) Nov 2: General Meeting. Logistics of T-Shirt design discussed. Pamphlet Type was chosen as well as business card format. Discussed the possibility of alumni John Gunnel from Schott, to be guest lecturer during winter quarter. Considered joint lectures with Material Science and Chemical Engineers. Attendance: 7
- 6) Nov 30: General Meeting. Received a quote for T-shirts, \$278 tax not included. Engineering Joint Council proposed a joint outreach program with the Physics Club. The small laser maze was requested for E-Week (2/17-2/23). Picnic Day applications were discussed as well as crowd control. Discussed possible tours of Livermore Labs. Attendance: 8

Future Events

- 1) Photonics West: Jan 22th-24th
- 2) E-Week: Feb 17th-23rd
- 3) Picnic Day: Apr 19th
- 4) Outreach: January-May 2008

Financial Information

Starting Balance = \$257.99

Picnic Day Float Grant = \$1000.00

Expenses	Amount	Balance
New Club Logo	\$100.00	\$1197.99
New Laser Maze Components	\$197.35	\$1000.64
Outreach (Gas)	\$122.54	\$878.64
Picnic Day Float	\$56.34	\$821.76
Extra Picnic Day Materials	\$15.88	\$805.88
Cabin Trip	\$178.53	\$627.35
Food (meetings, after outreach meals, barbeque)	\$369.36	\$257.99

Ending Balance =

Thank you for the opportunity to represent your organization.
