Chapter Activities :

Attendance at SPIE meetings

Chapter member Anup Panday attended the SPIE 52nd Annual Meeting in San Diego. He got the grant from the SPIE to attend the meeting. Chapter president, Mohammad M Siraj, and members, Rola Aylo and Georges Nehmetallah also joined with him later. We had a display booth there and it included posters detailing UD's Electro-Optics and LOCI graduate programs and several optics-related exhibits and our SPIE activity.

General Meeting

We had a general meeting on Sep 5, 2007. On this day we discuss about our future activities. We have decided on this day to have a picnic on September 12. Our main goal for this picnic was to introduce our SPIE activity to the new optical students and encourage them to join in SPIE. We also discuss about inviting a guest speaker

Picnic :

A picnic was organized on Sep 22 at Forest Field park in Centerville by SPIE student chapter. Most of the Electro-optics faculty, students and staffs attend the meeting. The picnic started around 11:00 AM and continued till 5:00 PM. We had a great fun that day. Except the food we had lot of activities like Frisbee, volleyball, soccer etc. We also gave brief address especially to the new students about the SPIE activities and the benefit they can get if they join the SPIE.
