Activities

Pie Day

To celebrate Pi, on March 14th we had a luncheon for all members, potential members, and faculty. We served pie and pizza for all the attendees. 25 people attended. Additional ideas for activities were discussed, nothing new was decided on.

Annual Spring Picnic

The UD SPIE Chapter sponsored a spring picnic April 27th for all Electro-optics faculty, students, staff, and family at the University of Dayton. The event allowed the attendees to get to know one another, and have some much needed fun. The picnic started at noon and continued through the afternoon. We played corn hole and Frisbee. Around 40 people were in attendance.

Annual Fall Picnic

We also sponsored a fall picnic September 21th for all Electro-optics faculty, students, staff and family. This event allowed the incoming students to associate with the professors and other students. 45 people attended. All had a great day and we played Frisbee, cornhole, and football for fun. It started at noon and continued through the afternoon.

Elections & Planning

We had a meeting to inform students about the benefits of joining SPIE. To encourage attendances we provided drinks and pizza. Over 30 people attended. During the meeting we also elected new officers.

Holiday Social

To celebrate Christmas on Campus on December 5th, we had a potluck party. All students, faculty and staff were invited and they also brought their favorite dish to the party. The Student Chapter provided light entrée and drinks. We played Ping Pong for fun.

Outreach

Techfest

On February 16th and 17th Sinclair Community College sponsored a weekend where other schools and companies were able to come and demonstrate there are of science. Allowing members of the community to learn and see the different things that

those in the area are doing. We displayed a laser communications using fiber optics, holograms, spectrometer, polarizers and store bought laser show device.

General Meetings

January 17 - We discussed what would be shown at Tech Fest

February 15 - We discussed who would help out at Tech Fest and the logistics.

March 14 - We encourage students to join SPIE at our Pi Day party.

August 21 - We invited all new students to join SPIE and get involved.

October 16 - We elected officers.

November 22 – We discussed ideas for activities.
